

**Mission Drippin' Maintenance Needs Nomination Form**  
**Helping Our Neighbors in Need**  
**July 20-23, 2011**

The community of Dripping Springs supported First Baptist after our devastating fire and we are finally in a place to give back. During Mission Drippin' we will be in our community helping those in need.

Please nominate your friends or neighbors who, for whatever reason, need assistance. Maybe you know someone who is ill or has a physical condition, struggling financially, a hard-working single parent who can't always make ends meet, or someone who has just had a rough time and simply could use some help. Please, send in the following nomination form on their behalf.
